## LIMITED OFFER

THE MOST SIGNIFICANT BOOK

## ON **TIME SHARING**

EVER PUBLISHED . . .

— AND IT'S YOURS FREE

TO INTRODUCE THE  
DATA PROCESSING MONOGRAPH SERIES

Dear Sir:

This new book will regularly sell for \$9 and it is worth that and more. But you may receive it now free of charge to acquaint you with the Data Processing Monograph Series.

TIME SHARING is the first monograph in this series which brings a new book every third month — it is yours free for your willingness to consider a one year subscription — a total of four monographs for only \$24.

But you keep TIME SHARING regardless of whether you decide to subscribe or not.

Here is a glimpse of the contents of TIME SHARING:

A total of 130, 8½ x 11 in. pages attractively bound.

(over)

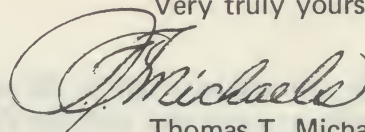

Your copy of TIME SHARING is ready now and will be shipped immediately on receipt of this letter with your authorization on the form below. We will send with your copy details on the additional monographs which are titled as follows:

- MANAGEMENT INFORMATION SYSTEMS
- DATA COLLECTION
- DATA COMMUNICATIONS
- OPTICAL CHARACTER RECOGNITION
- DISPLAYS AND GRAPHICS

A memo-invoice for a one year subscription at \$24 plus shipping cost will also be enclosed which you are asked to approve or return marked cancel within 15 days after receipt. However, TIME SHARING is yours to keep even if you cancel.

This is the best information bargain we have seen and believe you will heartily agree when you receive your copy of TIME SHARING.

Very truly yours,

Thomas T. Michaels  
for the publisher
